

A4TECH J437 Bloody Gaming Headset Army Green

Sale Price: 2600.0

PRODUCT ID: 0000023

Feature / Attribute	Product Specification Details	Implementation Impact
Product Brand / Model	A4TECH Bloody J437	Delivers a rugged, military-inspired olive aesthetic with premium army green trim layers.
Acoustic Speaker Unit	40mm NdFeB Magnets with High-Tension CCAW Coil	Utilizes a laser-trimmed diaphragm to translate spatial audio layout cleanly.
Audio Configuration	Virtual 7.1 Multi-Channel Surround Sound	Expands standard stereo fields into a directional 360-degree sonic landscape.
Frequency Response	20 Hz to 20 kHz (Headphone) | 100 Hz to 15 kHz (Mic)	Balances sub-bass structural frequencies alongside highly accurate verbal ranges.
Impedance Rating	32 Ohms Resistance	Draws efficient power direct from standard bus hubs without standalone pre-amps.
Headphone Sensitivity	100 decibels (dB)	Reproduces precise low-volume enemy footprints and distant reloads.
Microphone Pickup Mode	Omnidirectional Noise-Canceling Microphone Capsule	Isolates clear vocal feedback while suppressing chaotic click and fan sounds.
Headband Style	Suspended Tension-Free Auto-Adjusting Leatherette	Conforms across varied skull sizes seamlessly to drop downward pressure points.
Illumination Layout	7 Neon Colors Rotating Glaring LED System	Cycles automated color loops across outer ear casings during runtime.
