

## AMD Ryzen 7 7700 Gaming Processor

Sale Price: 22800.0

PRODUCT ID: 0001276

### Basic Information

|                         |                                                                      |
|-------------------------|----------------------------------------------------------------------|
| Base Frequency          | 3.8GHz                                                               |
| Maximum Turbo Frequency | Up to 5.3GHz                                                         |
| Cache                   | Total L1 Cache: 512KB<br>Total L2 Cache: 8MB<br>Total L3 Cache: 32MB |
| Cores                   | 8                                                                    |
| Threads                 | 16                                                                   |
| Default TDP             | 65W                                                                  |
| Supported Technologies  | AMD EXPO Technology<br>AMD Ryzen Technologies                        |

### Memory Specifications

|                        |                                                                          |
|------------------------|--------------------------------------------------------------------------|
| Maximum Speed          | 2x1R: DDR5-5200<br>2x2R: DDR5-5200<br>4x1R: DDR5-3600<br>4x2R: DDR5-3600 |
| Type                   | DDR5                                                                     |
| Max Number of Channels | 2                                                                        |

### Graphics Specifications

|                       |                     |
|-----------------------|---------------------|
| Processor Graphics    | AMD Radeon Graphics |
| Max Dynamic Frequency | 2200 MHz            |
| Core Count            | 2                   |

### Warranty Information

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Manufacturing Warranty | 03 years warranty (No Warranty for Fan or Cooler) |
|------------------------|---------------------------------------------------|
