

UGREEN US135 (10351) USB 2.0 AM to BM Print Cable 3M

Sale Price: 500.0

PRODUCT ID: 0004655

Feature / Attribute	Product Specification Details	Implementation Impact
Product Brand / Model	UGREEN US135 (Product Code: 10351)	Ensures genuine manufacturing tolerances, precise structural design, and strict quality control standards.
Product Category	USB 2.0 Male Type-A to Male Type-B Peripheral Cable	Serves as a standard physical bridge linking a PC or terminal interface directly to a printer or scanner.
Interface Standard	High-Speed USB 2.0 Protocol	Supports a stable data transfer bandwidth up to 480 Mbps, facilitating smooth spooling of high-resolution text, graphics, and image files.
Length Dimension	3.0 Meters (Approx. 10 Feet)	Delivers extended desk routing options, helping users clear clutter by moving hardware off the immediate desktop.
Connector Plating	24K Gold-Plated Korrosionsbeständig Links	Resists corrosion and minimizes oxidation over years of deployment, guaranteeing optimal conductivity and tight connection grip.
Connector Configuration	USB 2.0 Type-A (Male) to USB 2.0 Type-B (Male)	Pairs standard host computer or laptop ports directly to the square input receptors found on printers and scanners.
Shielding Framework	Triple-Layer Shielding (Foil + Braid + Ground Wire)	Safely dampens external electromagnetic and radio frequency noise (EMI/RFI) to maintain accurate document data transmission.
Core Conductor Material	High-Grade Oxygen-Free Copper (OFC) Core	Offers minimal electrical resistance and premium conductivity, ensuring clean data pulses across the 10-foot line.
