

UGREEN US135 (10352) USB 2.0 AM to BM Print Cable 5M

Sale Price: 700.0

PRODUCT ID: 0004656

Feature / Attribute	Product Specification Details	Implementation Impact
Product Brand / Model	UGREEN US135 (Product Code: 10352)	Ensures genuine manufacturing tolerances, precise structural design, and strict quality control standards.
Product Category	Maximum-Length Passive USB 2.0 Peripheral Cable	Bridges substantial room distances between a host computer and a printer without needing external signal boosters.
Interface Standard	High-Speed USB 2.0 Protocol	Delivers a steady, unthrottled data transfer bandwidth up to 480 Mbps for heavy print jobs and document spooling.
Length Dimension	5.0 Meters (Approx. 16.4 Feet)	Reaches across large office layouts, allowing hardware placement on remote side tables or separate counters.
Connector Plating	24K Gold-Plated Contacts	Resists corrosion and minimizes oxidation over years of deployment, guaranteeing optimal conductivity and a tight connection grip.
Connector Configuration	USB 2.0 Type-A (Male) to USB 2.0 Type-B (Male)	Pairs standard flat host computer ports directly to the square upstream input receptors found on printers and scanners.
Shielding Framework	Premium Triple-Layer Shielding (Foil + Braid + Ground)	Deflects external electromagnetic and radio frequency noise (EMI/RFI), ensuring error-free data packet execution.
Core Conductor Material	Enhanced Gauge Oxygen-Free Copper (OFC) Core	Lowers internal resistance across the full 5m run to preserve voltage levels and guarantee accurate signal pulses.
