UGREEN US369 (90560) USB-A to USB-B Printer Cable - 5M

Sale Price: 750.0

PRODUCT ID: 0004663

Feature / Attribute	Product Specification Details	Implementation Impact
Product Brand / Model	UGREEN US369 (Product Code: 90560)	Guarantees genuine engineering tolerances, premium structural composition, and strict quality control standard implementation.
Product Category	Premium Braided USB 2.0 Type-A to Type-B Peripheral Cable	Serves as a maximum-reach physical data bridge linking a PC directly to printing, scanning, or audio hardware.
Interface Standard	High-Speed USB 2.0 Protocol	Supports a stable, unthrottled data transfer bandwidth up to 480 Mbps for processing heavy PDF files and image spools.
Length Dimension	5.0 Meters (Approx. 16.4 Feet)	Reaches across large offices or workshop rooms, allowing hardware placement completely clear of the direct workspace.
Noise Filtering	Integrated Double Magnetic Ferrite Rings	Suppresses harmful radio frequency and electromagnetic noise (EMI/RFI) to secure stable transmission at absolute passive limits.
Exterior Armor	Premium Aluminum Alloy Housing + Nylon Braided Jacket	Defends the cable against heavy kinks, tight corner pulls, and everyday floor wear with a tested 10,000+ bend lifespan.
Connector Plating	Corrosion-Resistant Hardened Nickel-Plated Contacts	Resists oxidation and wear over thousands of insertion cycles, maintaining optimal conductivity and a solid socket grip.
