

VENTION VAS-A16-B150 USB2.0 A Male to B Male Print Cable 1.5M Black

Sale Price: 350.0

PRODUCT ID: 0005139

Feature / Attribute	Product Specification Details	Implementation Impact
Product Brand / Model	Vention VAS-A16-B150	Ensures certified factory build standards, tight engineering tolerances, and exact fitment.
Product Category	High-Speed USB 2.0 A-Male to B-Male Printer Cable	Connects computing host setups natively to standard square-port hardware devices.
Interface Standard	High-Speed USB 2.0 Protocol	Manages consistent data transmission pipelines up to 480 Mbps without text distortion.
Length Dimension	1.5 Meters (Approx. 5.0 Feet)	Delivers a balanced desktop reach, giving plenty of routing flexibility without creating slack clutter.
Conductor Composition	24 AWG + 29 AWG Pure Bare Copper (BC)	Provides high electronic conductivity to completely eliminate transmission latency or signal lag.
Shielding Framework	Premium Aluminum Foil + Heavy Metal Braid Grid	Acts as an internal barrier to deflect ambient EMI/RFI noise from monitors and power mains.
Interface Technics	Toughened Nickel-Plated Connector Heads	Retains premium anti-oxidation and corrosion properties through 3,000+ insertion/removal cycles.
Cable Outer Diameter (OD)	4.5 mm Thickness	Provides a resilient structural thickness that is highly flexible yet resistant to tight pinching.
System Integration	Universal Native Plug-and-Play Configuration	Instantly maps on Windows, macOS, and Linux platforms without needing manual driver installation.
