

## Hikvision DS-K1T8005EFWX-B Fingerprint Access Control

Sale Price: 8600.0

PRODUCT ID: 0015218

## Specification

|                        |                                                                                                                                                                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Main Features          |                                                                                                                                                                                                                                                                              |
| Fingerprint Capacity   | Max. 3000 fingerprints                                                                                                                                                                                                                                                       |
| ID Card Capacity       | Max. 3000 cards                                                                                                                                                                                                                                                              |
| Record Capacity        | 100,000 events                                                                                                                                                                                                                                                               |
| Display                | 2.4-inch LCD screen                                                                                                                                                                                                                                                          |
| Standard Functions     | Supports access control and local time and attendance function                                                                                                                                                                                                               |
| Interface              | Network interface: 1 RJ-45, 10/100 M self-adaptive<br>Lock control: 1<br>Exit button: 1<br>Door contact input: 1<br>TAMPER: 1<br>USB: 1                                                                                                                                      |
| Others                 | Multiple authentication methods, including fingerprint, card, and PIN, etc<br>Supports EM card<br>Supports ISAPI and ISUP 5.0 protocols<br>Configuration via the web client<br>Supports power supply by battery in the bracket<br>Supports wired network and Wi-Fi (AP mode) |
| Physical Specification |                                                                                                                                                                                                                                                                              |
| Power Supply           | 12 VDC<br>Supports power supply by battery in the bracket                                                                                                                                                                                                                    |
| Manufacture Warranty   |                                                                                                                                                                                                                                                                              |
| Warranty               | 1 Year                                                                                                                                                                                                                                                                       |
