

EPSON PRINTER HEAD RIBBON L3110 L4150 L395 L382 L355 L220 L210 L130 L301

Sale Price: 400.0

PRODUCT ID: 0009406

Property	Details
Product Type	Printhead Flexible Flat Cable (FFC) / Carriage Ribbon Cable
Supported Models	L130, L210, L220, L301, L355, L382, L395, L3110, L4150 (and related EcoTank series)
Material	Reinforced Polyester/Polyimide insulation with copper conductors
Interface Pins	Reinforcement tape at ends with oxidation-resistant contact surfaces
Core Function	Delivers printhead actuation signals and sensor data to the mainboard
Failure Indicators	- Fatal Error / General Error codes (flashing lights) - Printing blank pages or missing specific color channels - Blurred text or severe horizontal alignment issues
Key Maintenance Rule	Pins must be completely clean and dry; ink contamination causes immediate short-circuits
